

A Homemaker

By Betty Harris, Mason County

Being a homemaker has many rewards

Meeting and making new friends

You will have joy that sharing brings

Tasks and talents shared never end.

The honor of holding an office

Sewing for charity, helping those in need

Joy of a friendly face and smile to welcome you

Craft workshops, taking trips enjoyable indeed.

Working, planning for an indoor sale

Volunteers having fun and achieving much

Lots of homemade goodies for any appetite

Shopping, visiting, food makes for a happy bunch.

Tea for a cause, elegantly decorated and pleasantly served

Working for a purpose, so others may succeed

Scholarships to support those earned and deserved

Homemakers love and work, worthy proceeds.

Numerous projects for any desire

4-H classes teaching youth to knit, cook and sew

Basket weaving, gardening time together will inspire

Friends helping you forget everyday worries and woes.

Joining Homemakers has influenced my life

New experiences, skills and work of art

Being a Homemaker helps people everywhere

Come and join us, always happy for you to become a part!
